PLANTS, BULBS and SEEDS for House and Greenhouse

We are specialists in supplying seeds, bulbs, and plants for greenhouses throughout the country. Thus, you can be sure that all our items are especially chosen for their adaptability to culture under glass. By choosing among the goods listed by us, and noting the cultural advice, yours will be untold hours of enjoyment with your greenhouse - large or small.

SEEDS

ABUTILON (Flowering Maple, Chinese Bellflower) p.

Sow in Spring or Summer in a coolhouse, allowing 6 months to flowering size.
GIANT FLOWERED MIXED. Pot plant or climbing warmhouse shrub, 3 to 6 ft.....25¢

ACACIA t.p.

Familiar late Winter-blooming shrubs with finely cut foliage and sweet-scented yellow flowers. Pour hot water over seed; soak for 48 hrs. Grow at 50°....25¢

ACHIMENES t.p.

Trumpet-shaped Gloxinia-like flowers freely produced on plants 1' high. Treat similar to Gloxinias, which see. Fine for pots or hanging baskets. Mixed...65¢

ARCTOTIS a.

Daisy-like flowers stay open on the plants a long time, even on cloudy days.
GRANDIS. Large white flowers with mauve center and golden band.....10¢

BEGONIA

Sown in Winter for Summer plants, the slower ones can be carried along for Autumn and Winter use, pinching out unwanted buds as they appear. Sow at 65° but don't cover the seed with soil. As soon as in 3" pots, begin to cool them gradually, and carry along at 50° to 55°. Below are the fibrous-rooted kinds:

* PICOTEE. Large white, edged with a bright pink band. 6 to 8" high.....30¢
* SEMPERFLORENS DARLING. Large, brilliant carmine-rose flowers.....25¢
* S. GLOW. Dark red flowers, light bronze foliage. Compact: 10" high.....15¢
S. CHRISTMAS CHEER. Bright crimson-scarlet flowers; profuse bloomer.....20¢
S. GUSTAV KNAAKE. Large flowering pink with delicate salmon shadings.....20¢
S. VERNON. Deep blood-red flowers and bronzy-red foliage.....15¢
WHITE QUEEN. Pure white flowers, compact grower: 10" high, glossy leaves...50¢
* GRACILIS ENCHANTRESS. Pale green foliage, numerous large pink blooms....15¢
* G. MRS. HELEN HARMS. Deep canary yellow double flowers, 1½" across.....35¢
* G. COPPERY GOLD. Double flowers; old gold merging into coppery salmon....50¢
G. WHITE CARPET. Dwarf; 5".....25¢ SEMPERFLORENS CHOICE MIXED.....20¢

These tuberous-rooted kinds can generally be flowered in about six months from seed. Sow and treat similar to the above varieties. Growing from seed presents an economical method whereby a collection of these valuable tubers can be very easily obtained. They can be stored like Gladioli, and used year after year.

NARCISSUS FLOWERED MIXED. Charming shades of yellow, red, pink, etc.....50¢
LARGE FLOWERED SINGLE MIXED. Immense blooms and gorgeous colors.....20¢
GIANT DOUBLE FLOWERED MIXED. Like big, double roses. 75% true to type.....35¢
DOUBLE FRINGED MIXED. Beautifully fringed edges; very large blooms.....55¢
PENDULA. Hanging basket Begonias for a striking, graceful effect.....50¢
REX HYBRIDS. Beautifully colored ornamental foliage. Seed is scarce.....60¢
MARBLED MIXTURE. Large double blooms in fine colors; marbled and marked....50¢

CAMELLIA p.

Soak this seed in hot water before planting in the Spring. Grow at 45°. Blooms can be had for Christmas, on established plants, if the temperature is raised: a few degrees, but no more; else their buds will drop!.....30¢

CAMPANULA

Sow seed in the Spring. Keep under glass all Summer, or in a frame. Keep in a coolhouse from October to January. Then, at 50°, they will flower by April.

CANARINA. Magnificent plant for suspended baskets, with numerous, dainty bell-shaped flowers of orange veined with red, and edged with deep red.....50¢

CARNATION a.

Perpetual Flowering. The only true Winter-flowering variety. This is a genuine hybrid mixture of the greenhouse types containing many original colors.....75¢

CHRYSANTHEMUM

This annual kind sown in November in a coolhouse should flower in March:

- * GOLDEN CROWN. All double, bright yellow flowers, on sturdy 3½' plants....35¢
- These perennial kinds sown in February will bloom profusely the next Winter:
- * BALCONY MIXED. Flowers in graceful, drooping sprays, delicate shades.....55¢
- POMPOM MIXED. Small, round double flowers in bunches.....35¢

CLARKIA a.

Sow in late December on shallow benches for March flowering. Use a light soil. CHOICE DOUBLE SORTS MIXED. Long, graceful sprays for cutting. 3 to 4 ft....25¢

CENTAUREA a.

Grow early Bachelor Button boutonnières! For April bloom, sow in December. JUBILEE GEM. Bushy plants 1 ft. high, with firm, double blue flowers.....25¢

CLERODENDRON p.

FALLAX. Produces a regal head of hundreds of bright scarlet flowers, as useful as Poinsettias. 2 ft. high. Sow in January at 65° for Autumn blooms.....60¢

DIGITALIS p.

ROSY PINK FOXGLOVE. A fine, Winter-blooming climber. Large, bell-shaped blooms on stout and straight stalks. Sow in late Winter; blooms in about 10 mos...30¢

DELPHINIUM p.

Carry 2 yr. plants in a frame from Oct. to Jan. Force at 45° for April blooms. * GIANT PACIFIC HYBRIDS. Flowers as large as a silver dollar! Mixed.....45¢

DIMORPHOTHECA a.

African Daisy has very showy flowers, 2½" across, in shades of orange, salmon, buff, and pink; fine for bouquets. Sow in Aug. for Winter bloom; 45°.....15¢

DOLICHOS a.

Pink Wisteria-like flowers are good for cutting. The fancy seed-pods are quite decorative, too. Sow at 50° in late Fall for Spring-blooming vines.....15¢

DORONICUM p.

Leopard's-Bane is easily raised from seed, which germinates readily. Sow March to July. Placed under glass in Fall at 45° blooms from Christmas to Easter. MAGNIFICUM. Extra large, daisy-like, golden yellow flowers, 4" across.....25¢

ECHVEERIA CARNICOLOR

Of the Hen and Chicken family; easily raised. Brilliant vermilion-red flower-heads 4" across; metallic bluish-green foliage. Blooms for Christmas.....40¢

FELICIA a.

Tufted grasslike foliage with masses of small, Cineraria-like flowers of blue, with yellow center. Sow in April for flowers November to January; 18".....35¢

FREESIA p.

Sow in May for Fall. Allow 6 months to flower. Sow succession Aug. to Dec. BEST MIXED. All shades of pink, blue, orange, red, spotted, veined, etc.....25¢

REFRACTA ALBA. Creamy white, very fragrant; now unavailable in bulbs.....15¢

GERBERA p.

Sow January to March at 45° to 48°, otherwise they may not germinate. JAMESONI, SINGLE MIXED. Star-shaped flowers on 2½' stems; everblooming.....30¢

* DOUBLE HYBRIDS. Shades of cream, orange, scarlet, purple, pink, etc.....95¢

GESNERIA CARDINALIS

Spikes of numerous, nodding flame-red flowers from Easter on. Sow in December, in heat; treat same as Gloxinia. Pinch several times for bushy plants.....50¢

GLOXINIA t.p.

Sown from January to July, bloom in 7 months. Sow on a very fine surface, with 65° to 70°. Keep moist and shaded always. Syringe between pots twice daily. ORIENTAL MIXED. Spotted and mixed with contrasting, brilliant colors.....60¢

PASTEL PINK. A lovely, new shade - quite uncommon in Gloxinias.....85¢

AZURE BLUE. Flowers tinted with sky blue on a pure white ground.....85¢

KING GEORGE V. Bright scarlet crimson variety, of the largest size.....85¢

HER MAJESTY. Pure white flowers, on short stems, clear of the foliage.....85¢

DUCHESS OF YORK. Rich dark blue, petals edged with broad white band.....85¢

FRENCH HYBRIDS. Unsurpassed mixture, from our European specialist.....45¢

GYPSOPHILA a.

Sow in flats every 2 weeks from January to September, for blooms in 2 months.
COVENT GARDEN. Large flowered type for mixing with flowers in bouquets.....15¢

HELIOPHILA a.

Cornflower-blue, white-eyed flowers freely produced in graceful sprays.....25¢

HELIOTROPE

Sow January to March for Summer, in a night temperature of 45° to 50°. 1½ ft.
QUEEN HELEN. Sweet-scented soft light blue. Fine for pots or bedding.....25¢

HUNNEMANIA (Tulip-Poppy) a.

Sow around Christmas, at 45°, to bloom in April. When cut in the bud, blossoms last 2 weeks in water. Does best when not transplanted; likes a rich soil.
* LEMON BEAUTY. Semi-double, crinkled satiny petals; 3" across. 18" high....20¢

LANTANA p.

Seed must be sown with 70° to 75° bottom heat, in Jan. or Feb., for Summer.
DWARF HYBRIDS. 1 to 2 ft. high. Verbena-like heads of white, rose, etc.....25¢

LILY WHITE QUEEN p.

Large, pure white flowers. Blooms in 15 to 16 months; sow in late Fall.....50¢

LISIANTHUS

A most rare pot plant, 2 ft. high. Sow January to March, treat like Cyclamen.
Large upright bell-shaped flowers of rich deep mauve, 12 months from seed.....50¢

NIEREMBERGIA t.p.

Sow January and February for Summer; late Fall for Spring - in a coolhouse.
HIPPOMANICA. Lavender flowers, yellow eye. Plants 6" high, 9" across.....25¢
CALYCINA. White flowers shaded and veined with lavender and maroon.....25¢

NOMOCHARIS p.

MAIREI. A beautiful liliaceous plant from western China. The flowers look like Odontoglossum Orchids. Grows 1½ to 2 ft. high, with blossoms 3" across; satiny white spotted with reddish purple and purple-black eye. Sow in Feb., in slight heat. Pot up bulbs following Jan. to bloom in March and April.....40¢

PELARGONIUM

MIXED GREENHOUSE GERANIUMS. Some choice ones can be raised from these.....75¢
AZALEA-FLOWERED. Bushy plants with large flowers in clusters.....75¢
PINK BEAUTY. A lovely light salmon pink, with waved petals.....\$1.00

PETUNIA a.

GIANT DOUBLE. Dwarf, compact plants 10" high. Brilliant, fancy colors.....40¢
DWARF FRINGED MIXED. Large, beautifully fringed and ruffled flowers.....40¢
DOUBLE FRINGED MIXED. Mammoth flowers, 4" to 6" across; wide variety.....35¢

PITTOSPORUM p.

Pot shrub easily raised from seed. Dark, shining evergreen leaves; and bunches of creamy white flowers with the fragrance of Orange blossoms.....30¢

PRIMULA a.

Sow at 65°, Jan. to Apr., for Winter and Spring. Grow near the glass, at 50°.
* SINENSIS SINGLE DAZZLER. Orange-red. Over 20 flowers open at a time.....50¢
S. GIANT MIXED. Fringed and ruffled flowers, on plants about 9" high.....25¢
S. DOUBLE CARNATION-FLOWERED MIXED. Twice the size of other doubles.....50¢
OBCONICA GIGANTEA MIXED. Extra large strain of this everblooming kind.....30¢
MALACOIDES SINGLE MIXED. 15" high. Sow in July for Winter flowers.....50¢
* SNOW QUEEN. Extra large, snow-white single Malacoides flowers.....20¢
* M. CARMINE PINK. Large flowers on wiry, graceful upright stems.....20¢
M. DOUBLE MIXED. Last longer than singles; for pots or cutting.....50¢
M. GIANT FRINGED. Yellow center, surrounded by broad lilac zone.....35¢

SAINTPAULIA p.

South African Violet. Sow in Jan. and Feb. at 65°; start blooming in 6 months, continuing all Winter. Keep the foliage dry. Best grown in rich soil.....35¢

SALPICLOSSIS a.

Sow in February in a coolhouse to flower on the bench in late April or May.
EMPEROR, MIXED. Petunia-like tinted flowers, veined with gold. 18" high....15¢

SMILAX v.

Foliage vine; small leaves in long, graceful sprays. Sow in Spring or Fall.10¢

p. denotes a perennial; a. annual; b. biennial; t.p. tender perennial.

STREPTOCARPUS t.p.

Sow in Winter, at 65°, to flower in 12 to 14 mos. Grow in sandy loam, at 50°.
* ORCHID FLOWERED MIXED. 9" high. Magnificent strain of lovely colors.....35¢

TYDÆA a.

Sown in May, will bloom in December and continue for some time. Treat about as you would Gloxinia. A valuable greenhouse plant, about 1' high.....40¢

Books

GREENHOUSE CULTURE FOR AMATEURS is a guide to the cultivation of a wide selection of tender and half-hardy plants, giving the modern method, and containing many actual photographs. \$2.50 postpaid in U.S.A.

GARDENING IN THE GREENHOUSE tells of one family's fun starting their first indoor Winter garden. Written in an entertaining style; you will find it full of many good illustrations and suggestions. \$1.50 postpaid in U.S.A.

PLANTS

AZALEA

Well-matured plants of Kurume varieties prepared for Easter forcing. They may be forced into bloom in about 60 days, any time after early February. Delivery in dormant condition during November, December, and January. Avoid disappointment by placing your orders early.

CORAL BELLS. Covered with long-lasting, brilliant flowers; deep green leaves.

HINODEGIRI. A compact growing plant, almost covered with bright red blooms.

PINK PEARL. Flowers deep tinted pink. Heavy bloomer and vigorous grower.

SALMON BEAUTY. Salmon pink, medium-size flowers; compact, shapely plants.

SNOW. Pure white. Forces easily for Valentine's Day or Mother's day.

(Not every variety in every size.)

5-inch pots.....\$1.50

3-inch pots.....2 for \$1.00

6-inch pots.....\$1.75

4-inch pots.....\$1.00

8-inch pans.....\$3.00

Also 2½" pot plants for growing on, after May 1; all varieties.....6 for \$1.00

ACORUS

Decorative plant with narrow, flat, sword-shaped leaves forming compact tufts: bright green striped lengthwise with creamy white.....2" pots, 4 for \$1.00

AGAPANTHUS

Long spikes carrying heads of lavender-blue, lily-like flowers. This South African loves moisture; grows well in a coolhouse.....6" pots, \$1.50

ALLAMANDA

HENDERSONI. Climber with large, fragrant yellow blossoms. Grow at 60° to 65°.
WILLIAMSII. Same as above, but a compact pot shrub. Either kind.....\$1.00 each

AGLAONEMA

Chinese Evergreen. Showy rich green leaves. A choice house plant that is quite at home grown in soil or water.....2" pots, 3 for \$1.00; 3" pots, 2 for \$1.00

ACACIA ARMATA

Balls of fluffy yellow flowers close to the stem, among the foliage. Lasts for a long time in bloom, and grows easily in a coolhouse.....2" pots, 2 for \$1.00

ALOYSIA CITRODORA

Lemon Verbena. Easily grown shrub with highly-scented leaves, delightful mixed with flowers in bouquets. Makes a shapely plant if frequently pinched throughout the young stages. Start into growth in February.....3" pots, 2 for \$1.00

ARAUCARIA EXCELSA

Norfolk Island Pine. Noble evergreen conifer, with plume-like branches resembling delicate ostrich feathers. Fine shapely plants with heavy tiers.....\$2.00

ARDISIA CRENULATA

Evergreen pot shrub with thick, dark green foliage, and bright red berries for Winter. Resembles American Holly.....2" pots, 2 for \$1.00; 4" pots, \$1.00

ANTHURIUM

Flamingo Flower; Scherzerianum Hybrids. Brilliantly colored spathes last beautifully for months. A very worthwhile Aroid.....3" pots, \$1.75; 4" pots, \$2.75

* indicates an exciting novelty -- most of them new on the market this year.

ASPARAGUS FERN

PLUMOSUS NANUS. Fine-leaved foliage for bouquets and table decoration.
SPRENGERI. Longer lasting. Excellent for hanging baskets, or brackets.
Plants of either variety.....2½" pots, 7 for \$1.00; 3" pots, 2 for \$1.00

ARECA LUTESCENS

A fine house palm, with graceful, arching, dark green leaves. The yellow stems grow all in a little tuft, more like a Bamboo, making this variety particularly beautiful. Established in pots and tubs; several plants to each pot.
4" pots, 18 to 24" high.....\$1.00 7" pots, 2 to 3' high.....\$5.00
5" pots, 24 to 30" high.....\$2.00 8" pots, 3 to 4' medium.....\$6.00
6" pots, 2 to 3' high.....\$3.50 12" tubs, 3 to 4' high.....\$10.00

BUDDLEIA ASIATICA

Delightfully fragrant, white mid-Winter flowers similar to the outdoor Butterfly Bush. Secure these small sizes the previous Spring...2½" pots, 4 for \$1.00

BELOPERONE LONGISPICUA

This superior strain of Shrimp Plant, of dwarf, compact habit can be grown easily in a 55° house, giving loads of colorful blooms all Winter.
2½" pots.....4 for \$1.00 4" pots.....2 for \$1.00
3" pots.....3 for \$1.00 5" pots.....\$1.00

BOUGAINVILLEA

Showy evergreens covered with cheery, bell-shaped blooms 1" across, facing upward along the entire length of all the branches. Bloom in February and March, and later, at 50°. Red, Orange-yellow, or Lavender.....2 for \$1.00

BILLBERGIA NUTANS

Similar to the Pineapple plant, with tall spikes of brilliantly colored bracts and flowers. Grow at 60° in Winter. Peat and loam soil...2½" pots, 2 for \$1.00

BEGONIA

These popular flowering plants thrive in almost any temperature between 50° or 70°, and for growing in residences, are not so greedy for daylight as are most other indoor-flowering plants. Will bloom practically all year 'round, too.
CHATELAINE RED. Everblooming.....2½" pots, 8 for \$1.00; 3" pots, 5 for \$1.00
CHATELAINE PINK. Everblooming.....2½" pots, 8 for \$1.00; 3" pots, 5 for \$1.00
REX. Fancy leaved kinds, mixed.....3" pots, 2 for \$1.50

BIGNONIA

Evergreen vines with dark green, glossy leaves, and brightly-colored flowers.
CHAMBERLAYNI. Bright yellow flowers in early Spring.....2 for \$1.00
RADICANS. Trumpet Vine. Brilliant orange flowers in Summer.....2 for \$1.00
SPECIOSA. Large, lavender-blue flowers in clusters.....2 for \$1.00
VENUSTA. Flame Vine. Profusion of bright reddish orange flowers....2 for \$1.00

BUXUS JAPONICA

Japanese Boxwood. Beautiful compact, small-leaved evergreen shrub; for pots.
2½" pots, 4 for \$1.00 4" pots, 2 for \$1.00 6" pots, \$1.00

BINNEWIES CYCLAMEN PLANTS p.

Potbound plants always flower earlier than those that aren't. A temperature of 50° to 52° is best, or even 55° to hustle things up a bit, for Christmas.
Twice transplanted, 3 to 5 leaves; delivery January to May.....5 for \$1.00
Twice transplanted, 5 to 8 leaves; delivery January to May.....4 for \$1.00
Strong plants in 2½" pots; delivery April to August.....4 for \$1.15
Better plants in 3" pots; delivery May to October.....3 for \$1.15
Better plants in 4" pots; delivery June to December.....2 for \$1.25
Better plants in 5" pots; delivery July to December.....\$1.00
Better plants in 6" pots; delivery August to December.....\$1.75

CYPERUS

Easily grown and very decorative ornamental grass; resembles a small Palm, and likes a cool, moist house. 2 ft....2½" pots, 5 for \$1.00; 4" pots, 2 for \$1.00

CACTUS p.

Makes a very good house plant. 10 assorted kinds, "specimen" size.....\$2.00

CALCEOLARIA a.

Delivery after October 1; bloom late Winter to June. Grow at 45°. 2½" pots:
MULTIFLORA NANA. About 12" high, covered with small flowers.....6 for \$1.00
HYBRIDA GRANDIFLORA. Larger-flowered type; brilliant colors.....6 for \$1.00

CRASSULA

Jade Plant. Very popular succulent house plant. Heavy stems with thick, fleshy leaves 2" long.....2" pots, 5 for \$1.00; 3" pots, 3 for \$1.00; 4" pots, \$1.00

CALENDULA a.

Mixed. After September 1, for Winter bloom. Grow cool....2½" pots; \$1.00 dozen

CINERARIA a.

45° to 50°, plenty of sun, good soil and plenty of water, and they will easily bloom for Christmas. 2½" pot plants after September 1.....7 for \$1.00
CREMER'S PRIZE STRAIN. Medium-small flowers simply covering the plants with an umbrella of blossoms, in a good range of color. Small foliage.
MULTIFLORA NANA. Dwarf, compact plants; with dainty medium-sized flowers.

CRYPTANTHUS ROSEA PICTA

Unusual small succulent for dish work; their brownish prickled rosettes so desirable. Never too warm in Summer; grow in sand.....2½" pots, 2 for \$1.00

CLERODENDRON t.p.

Beautiful twining evergreen climber bearing a profusion of bright scarlet flowers enveloped in a creamy white calyx. Grow at 60° in Winter.
2½" pots, 3 for \$1.00 4" pots, 2 for \$1.00 6" pots, \$1.00

CHRYSANTHEMUMS t.p.

Plants always do best in a cool, airy house of 50°. All the selections we list below are available in rooted cuttings after April 1. Not less than 5 of a color can be supplied. Any of the 6 varieties listed below are available in many shades of yellow, white, bronze, pink or red. If you prefer light or dark variations, please specify in your order; else we will send medium shades. If interested in some of the lovely two-colored varieties, write for details of colors you are particularly interested in.

ANEMONE FLOWERED VARIETIES. Double; high, neatly formed centers...10 for \$1.00
SINGLE - DAISY TYPE - VARIETIES. Lovely star-like flowers.....10 for \$1.00
POMPOMS and DECORATIVE VARIETIES. Small blooms and dwarf growth...10 for \$1.00
LARGE FLOWERING VARIETIES. Neat, regularly arranged petals.....10 for \$1.00
EXHIBITION VARIETIES. The largest kind, often flowers 12" across...10 for \$3.00
SPOON VARIETIES. Feathery, threadlike blooms; light, graceful.....10 for \$2.00
CASCADE VARIETIES. Single flowers of white, light yellow, light bronze, or mahogany with yellow tinge, in graceful, drooping sprays.....10 for \$2.00

CAMELLIA PLANTS

Available after September 15 for Winter flowering. Grow between 45° and 48° in Winter. Never let the roots dry out, or flower buds may drop off the next season! Place outdoors during the Summer, but not in full sun.

AMERICANA. Double; flesh colored, striped with deeper shade.
BEAUTE DE NANTES. Medium size, clear pink. Golden stamens among the petals.
JARVIS RED. Semi-double, bright red flowers; late-flowering, rapid grower.
T.K.VARIEGATED. Semi-double, pale pink with rose and lavender shadings.
LADY CAMPBELL. Full double, red flowers of medium size. A free bloomer.
LA REINE. Bright white, striped with carmine.
NAPOLEON D'ITALIE. Double rose-red flowers with very dark stripes. Late.
LILL. Double white flowers, sometimes spotted with palest pink.
PRINCE EUGENE NAPOLEON. Double bright scarlet flowers of medium size.
8" to 12" high.....\$1.00 18" to 24" high.....\$3.00
12" to 18" high.....\$2.00 2 to 3 ft. high.....\$6.00

CARNATIONS t.p.

These lovely coolhouse flowers bloom earlier and on longer stems - the earlier you plant them in your benches, and give them a chance to get established. May plantings will bloom as early as Labor Day, but those benched in early October generally don't bloom until January. Colors available are: white; light, medium or dark pink; crimson; yellow; or variegated. Not less than 12 of a color. Rooted cuttings, available after December 1.....\$1.50 dozen
Field-grown plants, clean and healthy; available after July 1.....\$2.00 dozen

ECHEVERIA CARNICOLOR t.p.

Thick-leaved succulent rosettes with a rosy tint.....2" pots, 5 for \$1.00

EUCHARIS AMAZONICA t.p.

An Amaryllis relative with a rich perfume from its pure white starlike flowers 4" across. Blooms at various seasons. Grow in a moist 65° temperature and rest at 55°. Fine for cut flowers. Give them a rich, loamy soil.....4" pots, \$1.00

SPRINGTIME. Ruffled bright pink, white throat and edges.
WURTEMBERGIA. Distinctive deep red blossoms.
GERMAN GLORY. Flowers of a delightful Cattleya-Orchid blue.
2" pots....4 for \$1.00; 12 for \$2.75 3" pots....3 for \$1.00; 12 for \$3.75

POINSETTIA

Order before March 15 for Spring delivery, so plants can grow larger by Fall. Grow at 60°. Available in RED, PINK, or WHITE.....5 for \$1.25

PRIMULA a.

Greenhouse Primroses bloom profusely all Winter long. The more you cut them as bouquets, the harder they bloom! You'll enjoy this mixture of the best kinds:
Ready from July on; 2½" pots.....12 for \$2.00, 100 for \$14.00
Ready from August on; 3" pots.....6 for \$2.00, 100 for \$25.00
Ready from September on; 4" pots.....4 for \$2.25, 100 for \$45.00

RHODODENDRON HYBRIDS

Keep at 50° from Fall until February. Then force at 60° to 65°. Syringe daily. Well budded, dwarf, compact plants; assorted colors; 12 to 15".....\$2.50 each

STEPHANOTIS t.p.

This climber sends out bunches of small white tubular flowers of a most exquisite sweetness that last in full beauty for a very long time - even when out. Its leaves are fleshy, firm and shining so that even when not in bloom, plants are still beautiful. Needs to be grown at 60° or more.....4" pots, \$1.50 each

SAINTPAULIA t.p.

The popular African Violet.....2½" pots, 8 for \$2.00; 3" pots, 4 for \$2.00

THUNBERGIA t.p.

A handsome, densely branched, evergreen shrub, with dark green foliage. Prefer a loamy soil and plenty of water in Summer, with a 60° temperature in Winter. Either variety below, or mixed.....4" pots, 2 for \$1.00; 6" pots, 2 for \$1.50
ERECTA. Blue-purple flowers, with deep yellow throats.
ERECTA ALBA. Same as the variety above, except the flowers are white.

PHILODENDRON t.p.

Popular climber with glossy green leaves. Grows well in soil or water. Fine as a house plant, thriving in positions too dark for English Ivy.
small pots, 10 for \$2.00 4" pans, hanging, 2 for \$1.50

Deliciously fragrant blue flowers, single or double. Ready for shipment in October, for Winter flowering in a coldhouse at 45°....4 for \$1.25, 12 for \$3.25

GLORIOSA ROTHSCILDIANA t.p.

The world's most beautiful Lily, blooming twice a year. A tropical climber for a warm greenhouse that also does well outdoors in the Summer in sheltered positions. Grows 6 to 10 ft. tall, producing large flowers which open bright yellow, but change to a deep scarlet.....\$1.00 each, 3 for \$2.75, 12 for \$10.00

Lovely large, upright-bell shaped flowers in Spring and Summer. Start your tubers in 4" pots with good bottom heat. Keep the leaves dry always lest rot set in. Be sure to order early; supplies will be quite short this year again! Blooming size tubers, a mixture of colors, ready in January.....12 for \$4.00

Plant from Jan. 15 to March 15 for blooms from May 15 on. Never plant earlier, as the bulbs often don't flower when planted too early. Avoid strong heat.

First-size flowering bulbs, mixed.....12 for 45¢, 25 for 80¢, 100 for \$3.00

Showy Spring and Summer-flowering varieties. Start in January, grow on at 55°. Any of the kinds below, mixed colors...3 for 70¢, 12 for \$2.50, 100 for \$16.50
SINGLE FRILLED. Beautifully frilled and fringed like giant ruffled Petunias.
DOUBLE FRILLED or CARNATION FLOWERED. Brilliant, fully double flowers.
DOUBLE CAMELLIA-FLOWERED. Elegant double blooms resembling fine Camellias.

REGALE. Large, trumpet-shaped ivory white blooms shaded pink on the outside. Sweet-scented. Pot in December. Give 70° for the first 10 days, and then 60°. Blooms in about 2 months.....3° for 80¢, 12 for \$3.00, 100 for \$18.00

Bulbs planted from October through December bloom from January to April. Plant at intervals for a succession of bloom. Best grown at 55° to 65°.

SUPERFLORA PURITY. Large, sweet-scented, pure white...12 for 65¢, 100 for \$3.00

GIANT FLOWERED RAINBOW MIXTURE. All best colors.....12 for 50¢, 100 for \$3.50

Showy large blooms with good lasting qualities. Pot in late Fall in good, rich soil. They will grow vigorously and come into bloom quickly. Grow about 55".

WHITE. Excellent pot plant and fine for cutting.....3 for \$1.65, 12 for \$6.00

GOLDEN YELLOW. Dark green foliage with white spots...3 for \$1.00, 12 for \$3.50

PAYMENT: Please remi with order, by check or money-order. We cannot be liable for coins, currency, or stamps unless they are sent by registered mail. Seed orders are sent prepaid to any point in the world. Bulbs are sent prepaid in the U.S.A. Plants are sent by express collect, unless other shipping details are sent with the order. If express office is different from postal address, please give us your express office with all plant orders! All goods offered; subject to prior sale; prices subject to change without notice.

CARRIAGE: All orders travel at the purchaser's risk, after they are in care of a common carrier. Claims must be made on receipt of goods, or I can't consider them. Plants are shipped direct from the nurseries and greenhouses. If I can't make immediate shipment, or some unforeseen delay occurs, I will notify you immediately.

QUANTITIES: Plants and bulbs cannot be supplied in smaller quantities than the smallest quantity priced. 25 plants take the 100 rate, except where noted.

NOT LISTED: We can supply many items less in demand, which are not listed. Often we can even supply other sizes than listed. Let me know your wants!

CULTURE: Where growing temperatures are not mentioned, they are usually 50°.
HOUSE PLANTS: Many fine ones listed; or send your "budget" check for an ass't.
